### The Company

Ski Famille is a privately owned company established in 1990. We are pioneering family skiing specialists run by a highly motivated team. We are passionate about helping families with young children to have an amazing and hassle free experience on their family skiing holiday.

### The Role

Our Chalet Chefs are key to delivering delicious, high quality meals to all our guests, from our youngest to oldest! We work with high quality suppliers and we expect you to exceed all guests culinary expectations. Ski Famille guests look forward to returning from a day on the slopes to a well presented homemade meal in a beautiful chalet; your skills, ability and attention to detail can make their holiday.

This is a fantastic opportunity for a confident chef to demonstrate their experience and love of food to a wide age range of customers. You will be well presented, highly organised and comfortable working under your own initiative to manage a kitchen and ensure meals are cooked to a high standard. You will work with Resort Managers to source and order your supplies, being mindful to budgets and cost control at all times.

Our family chalets sleep between 9 and 30 guests and most kitchens are open plan, allowing you to share your passion and mountain experiences with the guests.
