The Company

Ski Famille is a privately owned company established in 1990. We are pioneering family skiing specialists run by a highly motivated team. We are passionate about helping families with young children to have an amazing and hassle free experience on their family skiing holiday.

The Role

As a Chalet Host you will use your skills and passion for hospitality and customer service every day; your role is to provide our guests with a high quality service in a family friendly environment. All our properties have a chef who is overall responsible for the

food delivery, however, you will be expected to play a key part in assisting them. If you are a budding cook, but not yet able to take full responsibility of a kitchen this role provides the ideal opportunity to develop your cooking skills.

We are looking for well presented, dedicated individuals with experience in hospitality (ideally food preparation) and customer service. You will have a well-developed eye for detail and enjoy interacting with your guests. Formal qualifications or previous experience working overseas are not required; energy, enthusiasm and the ability to learn and work as part of a team are essential.
