Childcare Staff / Early Years Practitioner(s)

Join our enthusiastic, motivated & professional team in the mountains.

Vacancies available in Les Gets, La Plagne & Les Menuires, France.

The Company

Ski Famille is a privately owned company established in 1990. We are pioneering family skiing specialists run by a highly motivated team. We are passionate about helping families with young children to have an amazing and hassle free experience on their family skiing holiday.

The Role

Ski Famille childcare staff are the reason that so many of our guests return year after year. You will be the main focus and barometer if a family has enjoyed their holiday and if of course they will travel with us again.

We are looking for well presented, energetic, engaging individuals who are happy to work in a team environment and are able to provide stimulating, entertaining and safe activities for children from 4 months to 12 years, come rain or shine. Unlike many day nurseries, the children are only on holiday for a week, which means relationships have to be made quickly with new children and their families.

We provide training before the season starts on all aspects of working in a ski resort, for example, taking the children to ski school and activities to suit the environment.
