Vacancies available France

The Company

Ski Famille is a privately owned company established in 1990. We are pioneering family skiing specialists run by a highly motivated team. We are passionate about helping families with young children to have an amazing and hassle free experience on their family skiing holiday.

The Role

As a Flexi Chalet Host you will use your skills and passion for hospitality and customer service every day across your resort and various properties. Your role is to provide our guests with a high quality service in a family friendly environment. All our properties have a chef who is overall responsible for the food delivery,

however, you will be expected to play a key part in assisting them. You will be working in many chalets across your resort, and often 'thrown into the deep end'. This role would suit you perfectly if you have previously worked a season and relish offering support and guidance to your colleagues across your team, yet still having close guest contact.

We are looking for well presented, dedicated individuals with experience in hospitality (ideally food preparation) and customer service. You will have a well-developed eye for detail and enjoy interacting with your guests. Formal qualifications are not required; energy, enthusiasm and the ability to learn and work as part of a team are essential.
