Our new Chalet Hotel Cocon des Neiges

Chalet Hotel Cocon des Neiges is located at 1,850m in Les Bruyères, just below Val Thorens, the highest ski resort in the Alps. The snow record here is just amazing and is recognised as one of the best snow-sure destinations in Europe. Views from the Chalet Hotel are just jaw-dropping: to one side you look straight up the Les Bruyères ski area and to the other side, the spectacular slopes of Pointe de La Masse and the Cime de Caron. Whichever direction you look, you'll be blown away.

Chalet Hotel Cocon des Neiges is nestled right at the foot of the blue runs alongside the Bruyères gondola lift. There's a nursery slope and covered 'Magic Carpet' lift literally next door and access to the first gondola of the day and the whole of Les 3 Vallées ski area is just outside your Chalet Hotel. Take the stunning gondola to the mid-station, clip in and ski the cruisy blue runs straight to your door. For even more fun, stay on the gondola to the top where you have endless choices - ski over to Val Thorens or even down into the Meribel valley or head home via the myriad of red runs, the spicy black run or carve the mellow blue runs back into the valley. Many of these runs link perfectly to the blue runs heading home - so at the end of an amazing days skiing, just cruise down, un-clip your skis and welcome home!

Our nannies are always on hand

Service with a smile

For many, many years we have continually tweaked and fine-tuned the services we offer to skiing families. Our dedicated family focus enables us to have an uncompromising attitude to what really works for skiers with children.

Our overseas team is recruited by our senior managers and all have a genuine enthusiasm for helping families get the very most from their week in the Alps. Our hosts, childcare team and resort support staff will redefine your expectations of what is possible on a family skiing holiday.

At the heart of our resort service is our exclusive À La Carte Childcare. For many guests the attention, energy and professionalism shown by our nannies and carers is a revelation. Our level of care will allow parents free time on the slopes while children have the time of their lives.

All of our exclusive À La Carte Childcare is in our very own chalet hotel, so no snowy trudge to a central crèche. In fact, for our youngest guests, we have created a nursery complete with sleep room so they don't miss out on their naps. And for older children, the playroom is not only light and airy but there is a safe, enclosed outdoor terrace too, ideal for outdoor fun in the snow.

Whether your family are seasoned skiers or new to skiing in the Alps, we will help you create your perfect family skiing holiday.

Our Cuisine

Going on a ski holiday with children shouldn't mean that you have to compromise on the simple pleasures in life such as an excellent meal in good company and a decent glass of wine.

Our menus have been carefully designed to provide families with imaginative, well-presented and great tasting food. Children's food is freshly prepared and has been chosen to cater for the preferences of young palates. Homemade purées and a range of Hipp Organic baby food are available for babies and toddlers.

Our service includes breakfast and afternoon tea every day. Dinner service can be high tea for children, or later as a family or adult-only if you take advantage of Monty's Pyjama Club (see page 10). Dinners are for six nights allowing you one evening to eat out at a restaurant in resort.

Staff that go the extra mile

SPECIAL DIETS

We will always do our very best to cater for special diets for both adults and children. As we are catering at high altitude ski locations during winter, local availability of specialist foods can be limited and may not be available at all. **Therefore it is essential you inform us of any special dietary requirements at the time of booking your holiday** to help us to help you. There is no supplement for vegetarian meals. For special diets such as vegan, gluten or dairy-free, there is an extra charge of £35 per person when pre-booked. The in-resort charge is £59 per person. If you have any queries prior to booking please call 01252 365495 to discuss your needs.

Great fun with my friends!

"I cannot fault the kids' ski lessons in Les Bruyères. From drop off to pick up, my children were on cloud nine and they progressed massively during the week. Nothing was too much trouble and the partnership between ski school and Ski Famille is obviously incredibly strong" | Astle family, March 2023
